Cannon Beach Volunteer Firefighters invite you to attend the 70th Annual Volunteer Firefighters Benefit Dinner

Saturday, October 14, 2017, 4:30 – 8:00 pm

Cannon Beach Conference Center Dining Room, 3rd and Spruce Street

Over the past 70 years your Cannon Beach Volunteer Firefighters have evolved into a modern emergency organization providing emergency medical and rescue services as well as fighting structural and wild land fires. Our volunteers, both men and women, also provide non-emergency services such as public safety education, holiday festivities for children and adults, and our annual 4th of July Open House following the parade.

While it is tax dollars that pay for the fire stations and the fire vehicles, it is through your generous donations and support of our annual Ham Dinner that help provide the necessary equipment for the department. Your donations from the past have enabled us to secure wild land firefighting equipment, cliff/rock rescue tools, vehicle extrication tools, and newer more technical support tools for both our fire engines and rescue vehicles. Our goal, with your support this year, will be to continue improving our equipment and vehicles to provide the best services to the community we serve. Some ideas for consideration are: Cardiac Heart Monitor, Vehicle Extrication Equipment, Surf Rescue Equipment, Trail Rescue Equipment, Rope Rescue Equipment and Self-Contained Breathing Apparatus.

This dinner is a fantastic way to visit with friends and meet new neighbors while showing support to those men and women who volunteer their time and energy to provide emergency services to the residents and visitors of our community. Help us keep this a volunteer organization. We look forward to seeing you this year at our dinner. If you are unable to attend, please consider purchasing the enclosed tickets and donating them to someone else. If you are unable to purchase the tickets, please return them in the enclosed envelope. Your donation is tax deductible.

Thank you for continuing to support your Volunteer Firefighters of Cannon Beach.

Sincerely,

Brian Smith
Association President
