CANNON BEACH RFPD BOARD OF DIRECTOR

The Cannon Beach Rural Protection Fire District (CBRFPD) is providing notice for the following vacancy(s):

BOARD OF DIRECTOR: ONE (1) vacancy to backfill a 4-year term ending June 30, 2023.

Eligibility: To be eligible to serve as a Board of Director for the CB RFPD, applicants must be a registered voter and reside or own property within the District boundary. Applicants must reside or own property within the District boundary during the one year immediately preceding appointment. District Firefighters (volunteers or otherwise) and other District employees shall not serve as Board Directors.

District Unlike cities, special districts such as the Cannon Beach Fire District includes Cannon Beach, Ecola State Park, Ocean Shore, Arch Cape, and Falcon Cove. Special Districts do not report to cities but partner with them. The District boundaries start at highway 101 / Highway 26 junction and run south to and include a portion of the northwest tip of Tillamook County to Falcon Cove. The boundaries include approximately 6 square miles along with contract coverage for the Ocean Shore and Ecola State Park.

Commitment & Description There is a commitment to finish out the 4-year term ending in June 30, 2023 and requiring attendance at Board meetings the 2nd Monday of each month at 6 pm. Meetings typically last between 1-2 hours but can go beyond. While not common, an Emergency or Executive Committee can be called outside the regular meetings for any urgent and/or confidential business. Pre-reads, including an agenda, will be provided by the Fire Chief before meetings. You are required to read these before each meeting in anticipation of your participation and decision-making. New Board Members will be trained by the Board President and are required to attend one formal District Training course provided by the Special District Association of Oregon (SDAO) at the expense of CBRFPD. A board member entails a commitment to being actively involved in setting the direction of the district and, most importantly, serving the best interest of the Fire District and its constituents. The Fire Chief operates under the direction of the Board of Directors.

Applying Because we are filling a vacated position, this position does not require an election process. This position will be directly appointed by current Board of Directors.

Application must be received by November 3, 2021.
